Guided factory viewing tours

Find your special Haigh's Chocolates Pacific School Games discount voucher in your Athletes Welcome Bag. You can redeem it at the Haigh's Visitor Centre, Parkside or at any Haigh's store, or purchase online at www.haighschocolates.com

Offer valid until 31st December 2017. See discount voucher for details, and terms & conditions.

Haigh's Chocolates Visitor Centre combines viewing and tour facilities along with a spacious retail area.

Join us for a guided viewing tour to learn the history of Haigh's and how we make premium quality chocolate from cocoa beans sourced from plantations around the world.

See our team of confectioners using meticulous artisan skills to create and hand finish our delicious range of chocolates. You'll also enjoy special chocolate tastings with complimentary coffee or tea.

Our tours are very popular with tourists, clubs and groups as well as locals, so you will need to book.

You can also explore our Visitor Centre's retail store. Select from an extensive range of factory fresh chocolates and confectionery, including our famous chocolate frogs, truffles, fruit centres, fudges and bars. Special lines and some chocolate seconds are also exclusively available.

The Visitor Centre is located on the edge of Adelaide's parklands just a short drive south of the city centre.
